## FUNDRAISING POLICIES & GUIDELINES

Phoenix All-Star Booster Club does have guidelines for fundraising. Anyone planning on participating must understand and agree to our policies. We are a 501c3 organization and as such we are an official non-profit entity. This status allows us to work at venues for the purpose of fundraising. This designation is important and there are STRICT standards that must be followed to maintain the standing with the State and federal government.

### Guidelines:

All fundraisers will contribute 5% to the Phoenix All-Star Booster Club general fund to assist in covering expenses.

All fundraisers have a dedicated Project Manager. This person works with the booster club board to determine the guidelines specific to each fundraiser. The Project Manager is the contact person for all questions and issues within a specific fundraiser.

Attendance is critical when you register to volunteer for fundraising projects. Each fundraiser has a specific attendance policy. Adherence to these policies is required. Failure to comply to the attendance policy may result in suspension for additional fundraising projects for the balance of the competitive season.

Your athlete must be a current team member in order to participate in any fundraising event; as well as to receive expense reimbursement.

GOFUNDME, FUNDLY, FUNDAZR, etc., are online fundraising opportunities personally benefitting an athlete or group. Phoenix All-Stars Booster Club does not permit any member to set up an account referencing the trademark or name of the program, or likeness to our program. These practices are in violation of our bylaws and guidelines for our 501c(3).
